All students living on campus are required to read this handbook and make themselves aware of these policies and procedures. Failure to comply with College policies will result in judicial action.
Room Consolidation Process

There are no room changes until the start of Week 3 of the fall semester and the start of Week 3 of the spring semester when most “no shows” are established. Unauthorized room changes will result in a $100 charge and a move back to the originally assigned room.

For the fall semester, a student living in a double room alone (called a double/single) may continue to live in that room alone at no additional charge until the close of the fall semester. The College, however, reserves the right during the semester to assign the student a roommate at any time should the space be needed OR a roommate change is deemed necessary. A student, who does not wish to room with another student, should sign a double/single contract to secure the room as the only occupant for an additional fee of $465 for fall semester. The student can also choose the following option: Student may move to another student’s room or have another student move in with them. The option to live alone in a double room without the additional fee of $465 per semester ends by Week 3 of the semester.

If you have no roommate by the beginning of the spring semester, please know that you must choose one of the following options within the first two weeks of the 2022 Spring semester:

1. Sign a double/single contract for the Spring 2022 semester. You will therefore secure the room alone for spring semester with an additional charge of $465. Please know that the College does reserve the right to void double/single contracts should our enrollment for spring semester warrant the need for space.
2. Find a roommate of your own choosing or move in with another student by Week 3 of the semester.
3. If you do not select option #1 or #2 a new student may be assigned to the space in your room. If the open space in your room is not cleaned and ready for a new student your possessions will be moved to your side of the room and you will be charged a cleaning fee of $100.

Special Notice:

1. If for some reason you are not returning to Monmouth College in Fall 2021, you must notify the Student Affairs Office IN WRITING by July 1, 2021 in order to receive a refund of your housing deposit. Students who decide not to return to College for Spring 2022 MUST also notify the Office of Student Affairs by January 1, 2022. Students withdrawing after these dates WILL NOT receive the housing deposit refund.
2. If you change your hall/room during the course of the academic year, the terms of this agreement will be applicable in full for your new housing assignment.

My signature below acknowledges that I have read and understood the terms of this contract.
