Students must complete a minimum of 16 course credits during the junior and senior year at Monmouth College for a total of 32 course credits to be awarded the Bachelor of Arts degree. No more than 13 course credits may be taken in a single discipline (ACCT). Students may take additional ACCT courses provided the maximum limits are not exceeded.

Only grades of C- or better may be applied to the major. Students must earn a minimum 2.0 GPA in major and a minimum 2.0 overall cumulative GPA for the degree.

For students who anticipate sitting for the Certified Public Accounting (CPA) exam, completing the B.A. degree with 32 course credits means you have earned 128 credit hours toward the goal of 150 credit hours, leaving approximately 5.5 courses to fulfill the requirement. Each student who plans to sit for the CPA exam needs to develop an academic plan to complete the relevant state's requirements to sit for the exam. This may be completed at Monmouth or as part of graduate study leading to a Master's degree.
