

STUDENT COVID-19 SCREENING AND TESTING MONMOUTH, IL

On-Campus COVID 19 Testing (SHIELD Illinois Program)

Step 1: Testing (60 minute fast prior to testing required: no water, gum, tobacco, etc.)

- ▶ **Option 1-App:** Use your MyShield account to schedule an appointment.
- ▶ **Option 2-Walk-In:** Located in the Haldeman-Thiessen Building (HT) across from the Hewes Library, Tuesday and Fridays 8 am – 1 pm.

Step 2: Quarantine

- ▶ Students who get tested and are symptomatic should complete their symptom checker and will be required to quarantine pending test results.
- ▶ Students who get tested should notify scotshealth@monmouthcollege.edu.

Step 3: Results

- ▶ Results take 24-48 hours. Notifications will come through in your MyShield account.

OSF HEALTHCARE (Monmouth and Galesburg)

If an individual is experiencing COVID-19 symptoms, such as a temperature of 100.4 or greater, they should first be screened.

Step 1: Screening

- ▶ **Option 1-Phone:** Call the OSF COVID-19 Nurse Hotline, available 24/7, at OSF-KNOW (833-673-5669) to be screened.
- ▶ **Option 2-Phone:** Call the OSF Medical Group to be screened 309-734-1414, M-F 8 am – 6 pm, Sat. 8 am – 5 pm.

A series of questions will be asked and the nurse will determine next steps.

- ▶ Please make sure to let them know you are a college student when they are asking for your address when speaking with the scheduler.
- ▶ Individuals may or may not require testing, as determined by the screening nurse.
- ▶ If the screening indicates that an individual need to be tested, the nurse will place a test order and have a scheduler call the individual to set up an appointment.
- ▶ The scheduler will give instructions and information on the drive-thru testing.

Step 2: Testing

▶ Drive-thru Testing Hours of Operation:

OSF Holy Family Medical Center

Main Entrance

1000 West Harlem Ave.
Monmouth, IL 61462

OSF Prompt Care

3375 N Seminary St.
Galesburg, IL 61401

- ▶ The individual arrives at the drive-thru testing site, remains in vehicle with windows up and a mask on, and calls the number posted to notify medical staff they are there for their test appointment.
- ▶ Medical staff will approach the vehicle, provide further instructions to individual, check individual's ID, and swab both nostrils.
- ▶ Collected samples are taken to the OSF St. Francis Lab in Peoria by courier two times each day to be tested.

Step 3: Results

- ▶ The individual quarantines until results are known. OSF will contact the individual by phone with results within 24-48 hours.
- ▶ If the test is positive, OSF staff will call the individual with instructions to isolate and the Warren County Health Department (if you've listed that you are a college student) will be notified. The Warren County Health Department will contact the individual to work on contact tracing.
- ▶ The individual must contact the Office of Student Affairs, 309-457-2114, or scotshealth@monmouthcollege.edu to let staff know test results and the staff will assist with next steps.

COTTAGE CLINIC (Monmouth)

If an individual is experiencing COVID-19 symptoms, such as a temperature of 100.4 or greater, they should first be screened.

Step 1: Screening-Call 309-734-0100 to schedule a telehealth visit with a Nurse.

Clinic Hours of Operation: M, TU, TH, F, 8am – 5pm and W, 8am – 12pm

A series of questions will be asked and the nurse will determine next steps.

- ▶ Please make sure to let them know you are a college student when they are asking for your address when speaking with the scheduler.
- ▶ Individuals may or may not require testing, as determined by the screening nurse.
- ▶ If the screening indicates that an individual need to be tested, the nurse will place a test order and set up an appointment.
- ▶ The scheduler will give instructions and information on the drive-thru testing.

Monmouth
COLLEGE

Step 2: Testing
