Students will enroll in applied lessons each semester. These lessons will be in the student's major instrument or voice. Students will also enroll in a Music Department ensemble during each semester the student is on campus. Only one ensemble per semester will count toward the major GPA, and the ensemble must involve the major applied area, except for pianists and guitarists.

Students must complete a minimum of 16 course credits during the junior and senior year at Monmouth College for a total of 32 course credits to be awarded the Bachelor of Arts degree. No more than 13 course credits may be taken in a single discipline (MUSI). Students may take additional MUSI courses provided the maximum limits are not exceeded.

Only grades of C- or better may be applied to the major. Students must earn a minimum 2.0 GPA in major and a minimum 2.0 overall cumulative GPA for the degree.
