

STUDENT COVID SCREENING AND TESTING MONMOUTH, IL

On-Campus COVID 19 Testing Options

SHIELD Illinois Program

Step 1: Testing (60 minute fast prior to testing required: no water, gum, tobacco, etc.)

- ▶ **Option 1:** Login to the [Shield Illinois portal](#) to schedule an appointment.
- ▶ **Option 2-Walk-In:** Located in the Haldeman-Thiessen Building (HT) across from the Hewes Library, Monday and Thursdays 9 am – 12 pm. (Beginning August 30, 2021)

Step 2: Quarantine

- ▶ Students who get tested and are symptomatic should complete their symptom checker and will be required to quarantine pending test results.
- ▶ Students who get tested should notify scotshealth@monmouthcollege.edu.

Step 3: Results

- ▶ Results take 24-48 hours. Notifications will come through in your email account.

Student Health Clinic

Step 1: Symptomatic Testing Students who are experiencing [COVID-19 symptoms](#), can get tested at the Student Health Clinic. Monday – Friday 9am-1pm.

- ▶ **Option 1 – Walk-In:** Rapid COVID-19 test (The rapid test is done in the office with results provided while the student waits.)
- ▶ **Option 2 –** If after hours, please call 309-536-6055 for assistance. *Please note: the student health fee only covers services at our Student Health Center. If you receive care at any other OSF facility, your health insurance will be charged and you will be responsible for charges insurance does not cover.*

Step 2: Quarantine

- ▶ Students who get tested and are symptomatic should complete their symptom checker and will be required to quarantine pending test results.
- ▶ Students who get tested should notify scotshealth@monmouthcollege.edu.

COTTAGE CLINIC (Monmouth)

If an individual is experiencing COVID-19 symptoms for at least 5 days, they should first be screened. *Please note: The student health fee is not covered at this facility.*

Step 1: Screening-Call 309-734-0100 to schedule a telehealth visit with a Nurse.

Clinic Hours of Operation: M, TU, TH, F, 8am – 5pm and W, 8am – 12pm

A series of questions will be asked and the nurse will determine next steps.

- ▶ Please make sure to let them know you are a Monmouth College student when they are asking for your address when speaking with the scheduler.
- ▶ Individuals may or may not require testing, as determined by the screening nurse.
- ▶ If the screening indicates that an individual needs to be tested, the nurse will place a test order and set up an appointment.
- ▶ The scheduler will give instructions and information on the drive-thru testing.

Step 2: Testing

- ▶ The individual arrives at the drive-thru testing site located at 2 Americinn Way, Suite B, Monmouth, IL 61462.
- ▶ The individual arrives at the drive-thru testing site, remains in vehicle with windows up and a mask on.
- ▶ Medical staff will approach the vehicle, provide further instructions to individual, check individual's ID, and swab both nostrils.
- ▶ Collected samples are taken to a testing lab.

Step 3: Results

- ▶ The individual quarantines until results are known. Cottage Clinic will contact the individual by phone with results within 24-48 hours.
- ▶ If the test is positive, Cottage Clinic staff will call the individual with instructions to isolate and the Warren County Health Department will be notified. The Warren County Health Department will contact the individual to work on contact tracing.
- ▶ The individual must contact the Office of Student Affairs, 309-457-2114, or email scotshealth@monmouthcollege.edu to let staff know test results and the staff will assist with next steps.
