Your FAFSA application was flagged by the U.S. Department of Education for a review process known as "Verification". As part of this process, we are required to verify the information you provided on the Free Application for Federal Student Aid (FAFSA) before disbursing financial assistance. Corrections to your FAFSA may be made by us once verification items are submitted and reviewed by our staff.

**Level

You are asked to provide the requested information within **three weeks** of our request (but no later than one month prior to your planned enrollment) to allow us time to provide you with complete and accurate information about your eligibility for financial assistance.
