Office of Residence Life Request for Off-Campus Housing Exemption

Date _____

Name _____ ID# _____

Monmouth College is a residential liberal arts learning community; as such, the College expects students to live on-campus while they are a student.

In some limited cases, students may be granted an exemption to the live-on requirement. Below are reasons acceptable to the College and the required documentation of proof.

- I am a non-traditional student, 23 years of age or older (the College will verify your birthdate in our information system).
- I am a military veteran (please provide a copy of DD Form 214, "Certification of Release or Discharge from Active Duty", or other federal proof of service).
- I am married (please provide a copy of your marriage certificate).
- I have legal dependents (documentary proof must be provided).
- I live with my parents/legal guardians within 30 miles driving distance of Monmouth College (documentary proof must be provided).

Signing a lease prior to the formal request is not a valid reason to be released from the requirement. If you have a disability-related reason to request exemption, please contact the College's ADA Coordinator or the Office of Academic Affairs at the following:

(309)457-2325 or academicaffairs@monmouthcollege.edu
