

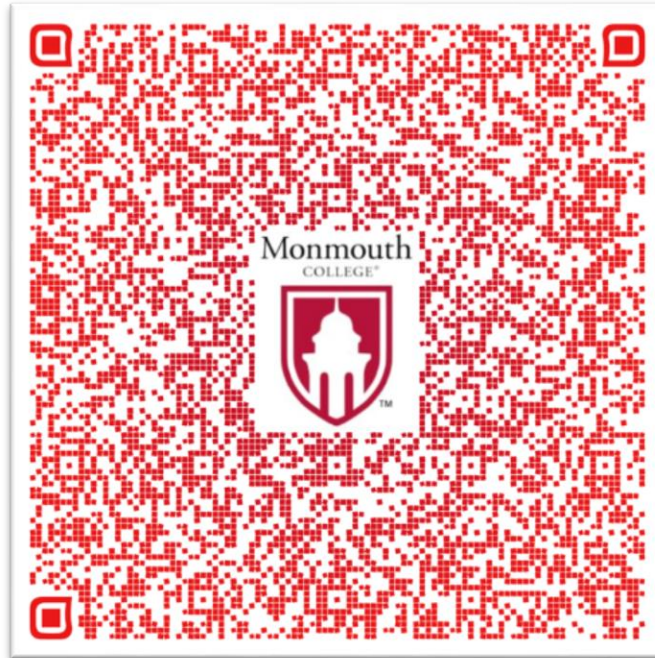

## Photo ID Submission Instructions

Scan the QR Code below to submit your Photo ID

Student ID's are a necessity on campus and are provided to every student. To have your ID ready when you arrive this fall, you must submit your photo via email using the QR link above.

**IDs will be available at your residence hall when you return in the fall.**

Follow these guidelines when taking your photo:

- A color photo must be of you alone.
- Take the photo in front of a plain, neutral background (think passport photo) with sufficient lighting.
- You should be faced forward in the photo.
- No hats or head coverings. *(unless those items are worn daily for religious purposes)*
